Dear Craig,

Thank you so much for serving as the Master of Ceremonies for our Inaugural Go Green Vision Dinner and awards ceremony! You were a consummate professional from beginning to end, and I was proud to have a high caliber speaker such as yourself set the tone for the evening.

I was a bit nervous to entertain a representative from the White House at our event, and I was grateful to have you by my side throughout the planning phase, as well as on the day of the event. Your willingness to go the extra mile to meet with me multiple times before the engagement made me absolutely certain that the event would go well. When the big day arrived, I went into the dinner with supreme confidence in the program we had laid out together. You were a true partner every step of the way, and went beyond the call of duty as our MC.

You established a wonderful rapport with the audience, and made a large banquet hall full of people feel as though they were in a relaxed, living room setting. I received tremendously positive feedback that the evening was enjoyable and memorable.

I would whole-heartedly recommend you to others as a full service, best-in-class Master of Ceremonies! It was a delight to work with you, and I look forward to having you back next year.

Fondly,

Jill Buck, Founder and Executive Director
