Re: Craig Harrison facilitation of board offsite, 9/20/17

To whom it may concern,

I would like to commend Craig for his excellent facilitation of our board offsite. He provided a comprehensive overview of storytelling in the nonprofit context while establishing good rapport with the group.

Craig conducted the time well, and provided exercises that engaged and enthused the group. Afterwards several board members said that Craig's session was both informative and a good teambuilding event. His information will be very helpful as LACF builds its messaging to better illustrate its impact.

Sincerely,

Joe Eyre
Executive Director
